

What's in a Name?

DISCOVER • CREATE • CELEBRATE

Your name is a special gift! In this activity, you will discover what your name means and create a name page to show what makes your name unique.

Directions:

1. Find out the meaning of your first name (and middle name if you have one).
2. Learn where your name comes from (such as a country or language).
3. Look for any interesting facts about your name.
4. Create a name page using drawings, colors, and words.
5. Include the meaning, origin, and anything else you find interesting.
6. Be creative and make it uniquely you!

Ideas to Include:

- Your name (in big, creative letters)
- The meaning of your name
- Where your name comes from (language or country)
- Symbols or pictures that represent your name's meaning
- Famous people who share your name (optional)
- Things you like about your name
- A Bible verse or encouraging word
- Your own drawings and designs

You are
known,
loved, and
chosen!
