

Alabama Animals and Their Homes

MATCH • LEARN • EXPLORE

Alabama is home to many amazing animals that live in different habitats.

In this activity, you will match Alabama animals to their habitats using drawings or cards.

Directions:

1. Look at the Alabama animals and habitats below.
2. Cut out the animal and habitat cards (or draw your own).
3. Match each animal to the habitat where it lives.
4. Glue or place the matches on a worksheet, or draw lines to connect them.
5. Be creative! You can add extra animals or habitats.
6. Color your pictures and label them.

Animal Cards

White-tailed
Deer

Northern
Cardinal

Eastern
Gray Squirrel

Largemouth
Bass

Loggerhead
Sea Turtle

Black Bear

Raccoon

Red Fox

American
Alligator

Monarch
Butterfly

Habitat Cards

Forests
(woodlands)

Rivers &
Streams

Lakes &
Ponds

Wetlands
(swamps)

Mountains
(Appalachian region)

Grasslands
& Fields

Gulf Coast
(beaches & dunes)

Think About It...

- Why do you think each animal lives in that habitat?
- What does the animal need to survive in its habitat (food, water, shelter)?
- How can we help protect Alabama's animals and their habitats?
- Can you think of another Alabama animal to add?

*Different
homes.
Amazing animals.
One Alabama.*

"The earth is the Lord's, and everything in it, the world, and all who live in it."

PSALM 24:1
