

Design Your Dream Alabama State Park

EXPLORE • PLAN • CREATE • IMAGINE

Alabama is home to beautiful state parks with mountains, rivers, lakes, forests, and more. In this activity, you will design your own Alabama State Park with a map and activities!

Directions:

1. Think about what makes a great state park.
2. Choose a name for your park.
3. Draw a map of your park in the space provided.
4. Add important features like trails, lakes, mountains, buildings, and more.
5. Create a list of activities people can do at your park.
6. Be creative and have fun!

Ideas to Include:

- Hiking trails
- A lake, river, or waterfall
- Camping areas
- Picnic spots
- Playground or nature center
- Animal viewing (birds, deer, etc.)
- Cabins or a lodge
- A visitor center
- Special features (e.g., rock climbing, canoeing, a treehouse)
- Anything else you can imagine!

My Alabama State Park

Park Name: _____

My Park Map

Draw and label the features of your state park.

Activities at My Park

What can people do at your state park?

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

Why My Park is Special

What makes your state park unique?

1. _____
2. _____
3. _____

A Message to Visitors

What would you like to tell people about your park?

1. _____
2. _____
3. _____
