

Our Family Traditions

REMEMBER • CELEBRATE • SHARE

Families have special traditions that help us stay connected and make lasting memories.
In this activity, you will create a page showing your family's favorite traditions.

Directions:

1. Think about the traditions your family enjoys.
2. Draw pictures or add printed photos to show your favorite traditions.
3. Write a short sentence or caption for each one.
4. Be creative! You can use drawing, stickers, or scrapbook materials.
5. When you're finished, share your page with your family.

- Vacations or day trips

♡ *It's the little things
that make big memories!*

we will serve the Lord."*
