

Flags Over Early Alabama

COLOR • CUT • ARRANGE

Alabama was part of different empires before it became a state. Each flag below represents a time when a different country controlled this land. Color the flags, cut them out, and then glue them in the correct order from earliest to most recent.

Glue the flags in the correct order from earliest to most recent.

1. _____

2. _____

3. _____

Think About It...

- Why do you think different countries wanted to control Alabama?
- How might life have been different under each flag?
- What do these flags tell us about the history of our state?
